"Golf: The Musical" is based on the book, music and lyrics by Michael Roberts, from a concept by Eric Krebs. The fun, frustrations, and humor of the grand old game are celebrated in this fast-paced, tune-filled, off-Broadway hit. Skits, songs and a putting competition make "Golf" a hole-in-one with players and nonplayers alike.

The opening number, "A Show About Golf," sets the not-politically-correct tone for the sketches and tunes that follow. This show, directed by Jason Bannister, is not suitable for children.

The cast includes Kristen Burkholder, Alan Bailey, Roger Marcotte and Nathan Raleigh.
